

## CHRISTMAS PLANS ARE NOW STARTED

Salvation Army to Under-  
take Big Campaign of  
Charity.

## FOOD AND CANDIES

Big Tree Filled With Pres-  
ents on the Night Be-  
fore Christmas.

Now that Thanksgiving is past  
members of the Salvation Army are  
making preparations for Christmas.  
There always is something for this  
noble band to do, and that something  
invariably is done with a willingness  
and vim which many years ago made  
them conspicuous from a charitable  
and religious standpoint.

Although the Salvation Army does  
much for the poor every day of the  
year, the Christmas holiday season  
urges them to even greater efforts,  
and this year it is the intention to  
make the deserving poor of Tulsa  
doubly happy.

There are few poor in Tulsa,  
fortunately, but there always are  
taken care of. The Salvation Army  
members act as good fellows by sup-  
plying food and clothing, fuel, and  
in many instances paying house rent.  
Then there are many other acts of  
charity done by them which are  
known only to themselves.

**Annual Christmas Tree.**  
Probably every Salvation Army box-  
racks in the country have a Christmas  
tree. Since the organization has had  
its members here not a year has  
passed without a tree for the poor  
folk, and this year the tree will be  
larger and more beautiful than ever.  
Candy and toys will be given the  
children, who will make merry in a  
manner which will make a warm-  
hearted member of the occasion.

Without the Salvation Army there  
would be no Christmas for many  
little people, while the houses of  
poor mothers and fathers would be  
empty, there would be no Christmas  
fires and Christmas would be Christ-  
mas in name only.

Other charitable organizations of  
the city, such as the Tulsa County  
Humane society also are making  
their preparations now for their  
Christmas work. The time is short  
and whatever is done must be done  
quickly.

There are worthy poor people and  
those who are unworthy. Some are  
poor because of their own faults, and  
probably always will be poor. Ex-  
cesses of either parent are responsible  
for it and their children must suffer  
for them.

**Worthy Poor.**  
On the other hand there are men  
and women who are destitute through  
misfortune over which they had no  
control. They are respectable and  
worthy. This is the class the Sal-  
vation Army and Humane society seek  
and aid, although there probably is  
nobody needing help which does not  
receive it in some form from some  
charitably inclined person or organi-  
zation.

Christmas of this year promises to  
be more generous than any of those  
which have gone before, as there is  
prosperity in Tulsa now, and the Sal-  
vation Army will do its part in mak-  
ing it memorable from the standpoint  
of the poor.

## TULSANS MAY BUY EIGHT-MILE LINE

Gladys-Bell Oil Company Brings About  
Special Election at  
McAlester.

**Special to The World.**  
MALESTER, Nov. 27.—To decide  
whether or not the city of McAlester  
shall sell a double pipe line to Gaines  
creek, a distance of eight miles, to the  
Gladys-Bell Oil company of Tulsa for  
\$25,000 in order that the company  
may pipe natural gas into town, a  
special election has been called for  
Friday of next week, December 3.  
The pipe was laid to supply water in  
an emergency in 1910. It hasn't been  
used for the past two years.

## WILSON IS DEEPLY INTERESTED

Sixty-five Million Dollars for Pension-  
ing Preachers is Approved.

CHICAGO, Nov. 27.—A letter from  
President Woodrow Wilson expressing  
his deep interest in the campaign  
being made by Protestant churches  
to raise an endowment fund as-  
mounting \$50,000,000 for pensioning  
preachers was received today by Rev.  
T. D. Smith of the board of conference  
secretaries of the Methodist Episcopal  
church.

Dr. Smith announced that the  
Presbyterians have obtained \$4,000,000  
of its proposed \$10,000,000 en-  
dowment, the Methodists \$2,000,000  
of its \$15,000,000 fund, and the Con-  
gregationalists have begun the work  
of raising a fund of \$3,000,000. Other  
Protestant denominations are asking  
for funds aggregating \$27,000,000.

## ANOTHER CONSPIRACY CASE

Arrest of Crowley at San Francisco  
May Bring Big Investigation.

WASHINGTON, Nov. 27.—New dis-  
coveries revealing in importance those  
which led to the prosecution of Robert  
E. Crowley in New York are expected by  
the department of justice, it became  
known today as a sequel to the arrest  
of C. C. Crowley in San Francisco last  
Friday in connection with alleged  
plots against munitions factories. Of-  
ficials of the department, however, re-  
fused to discuss Crowley's case.

Crowley, according to information  
here, did not deny his attention to  
the Pacific coast alone but traveled  
extensively throughout the country.

## NOW IS THE TIME TO LEARN TO SWIM

Four o'clock Monday Af-  
ternoon Campaign Will  
Be Started.

NO MONEY IS NEEDED

Training of Youths Will Be  
in Charge of Director  
Robb.

At 4 o'clock tomorrow the Y. M. C. A.  
city-wide swimming campaign for  
boys between the ages of 12 and 18  
will be inaugurated and the first  
group of boys will be taken into the  
pool for instruction. The campaign  
will last for the entire week, squads  
being taken between the hours of 4  
and 6 o'clock every afternoon.

The purpose of the campaign is to  
teach every boy in Tulsa to swim.  
The local Young Men's Christian asso-  
ciation is making the effort in con-  
junction with the associations all over  
the country, one of the recent aims of  
the national organization being to  
utilize their pools in teaching boys  
how to handle themselves in water.

The campaign is for all boys in  
Tulsa, whether they are members of  
the Y. M. C. A. or not. Every boy who  
comes to the association will be taught the funda-  
mentals of practical swimming in one  
of the finest tanks in the southwest.

**Seek Parents' Consent.**  
In order to bring the question to  
the proper head the association has  
prepared cards asking the permission  
of parents to teach their boy to swim.  
These cards have been distributed  
through the schools of the city and  
every boy requested to take one home.  
The training of the boys will be  
under the direction of J. W. Robb of  
Tulsa, one of the best known swim-  
mers in the southwest. Mr. Robb will  
be assisted by the association swim-  
ming and life saving corps, composed  
of the expert swimmers. Two of  
these men will be in the pool at all  
times to assist Mr. Robb.

The boys will come to the Y. M. C. A.  
city department and be assigned to  
a group. These groups contain  
twenty boys, one group being allowed  
in the pool at a time. Each group  
will be given twenty minutes instruc-  
tion on water wings. The groups will  
receive three lessons each, coming on  
different afternoons during the week.  
In this time any ordinary boy can  
learn to swim.

**No Charge Made.**  
There will be no charge whatever  
for the instruction, and every boy is  
invited. No bathing suits are neces-  
sary and the boys will dress in the  
regular locker rooms. Boys may bring  
towels from home or be furnished  
them at the regular association rate  
of three for 10 cents.

The pool is to be kept at a safety  
level, so that no boy could drown.  
This feature and the three experi-  
enced instructors should quell all  
fears usually set up in mothers' minds.  
The pool is filled with pure  
well water which is heated to 78 de-  
grees at all times. The pool room is  
kept at a temperature of 80 degrees,  
precluding all possibility of taking  
cold.

Sunday school classes have been  
especially invited to attend in mass  
numbers, but any boy is welcome to  
register and get in line for a good swim.

## TEACHERS REFUSE SUFFRAGE APPROVAL

CORPUS CHRISTI, Nov. 27.—The  
Texas State Teachers association con-  
vention tonight overwhelmingly voted  
against a resolution pledging the "mild  
support" of the association to woman  
suffrage. The association also voted  
that the resolution should not be con-  
sidered at all times. The resolution  
was a resolution favoring woman as  
a mode of baptism.

Resolutions commending the atti-  
tude of Gov. James E. Ferguson  
towards educational progress were  
adopted by acclamation.

Officers elected at the closing ses-  
sion of the association this afternoon  
were: President, Nat Benton, Corpus  
Christi; first vice president, K. W.  
Beatty, Denton; second vice president,  
J. W. O'Banion, Quanah; third vice  
president, Miss Nina Glass, Waco;  
treasurer, G. B. Wynn, Waxahatchie;  
secretary, T. D. Brooks, Hillsboro.

The selection of the next meet-  
ing place will be determined by the ex-  
ecutive committee. Houston and Fort  
Worth were candidates.

**Obituary Notice.**  
The funeral services of Mrs. C. O.  
Chamberlain will be held at the res-  
idence of her mother, E. C. Black,  
1102 South Denver, at 3:30 o'clock  
today, after which the corpse will be  
accompanying to Florida by her two  
brothers, E. F. Black, H. B. Black,  
and husband.
